

## Louis Comfort Tiffany: Just Add Ink Design Your Own Stained Glass Lamp

Louis Comfort Tiffany was inspired by nature and used flowers, insects, feathers, trees, vines, snakes and many other living forms in his work.

Look carefully at the lamps shown here. How many natural forms can you find and identify?

*Apple Blossom Table Lamp*,  
c. 1900-1910  
Leaded glass, patinated  
bronze, H. 29", Diam. 25"  
Courtesy of the Egon and  
Hildegard Neustadt Museum  
of Tiffany Art

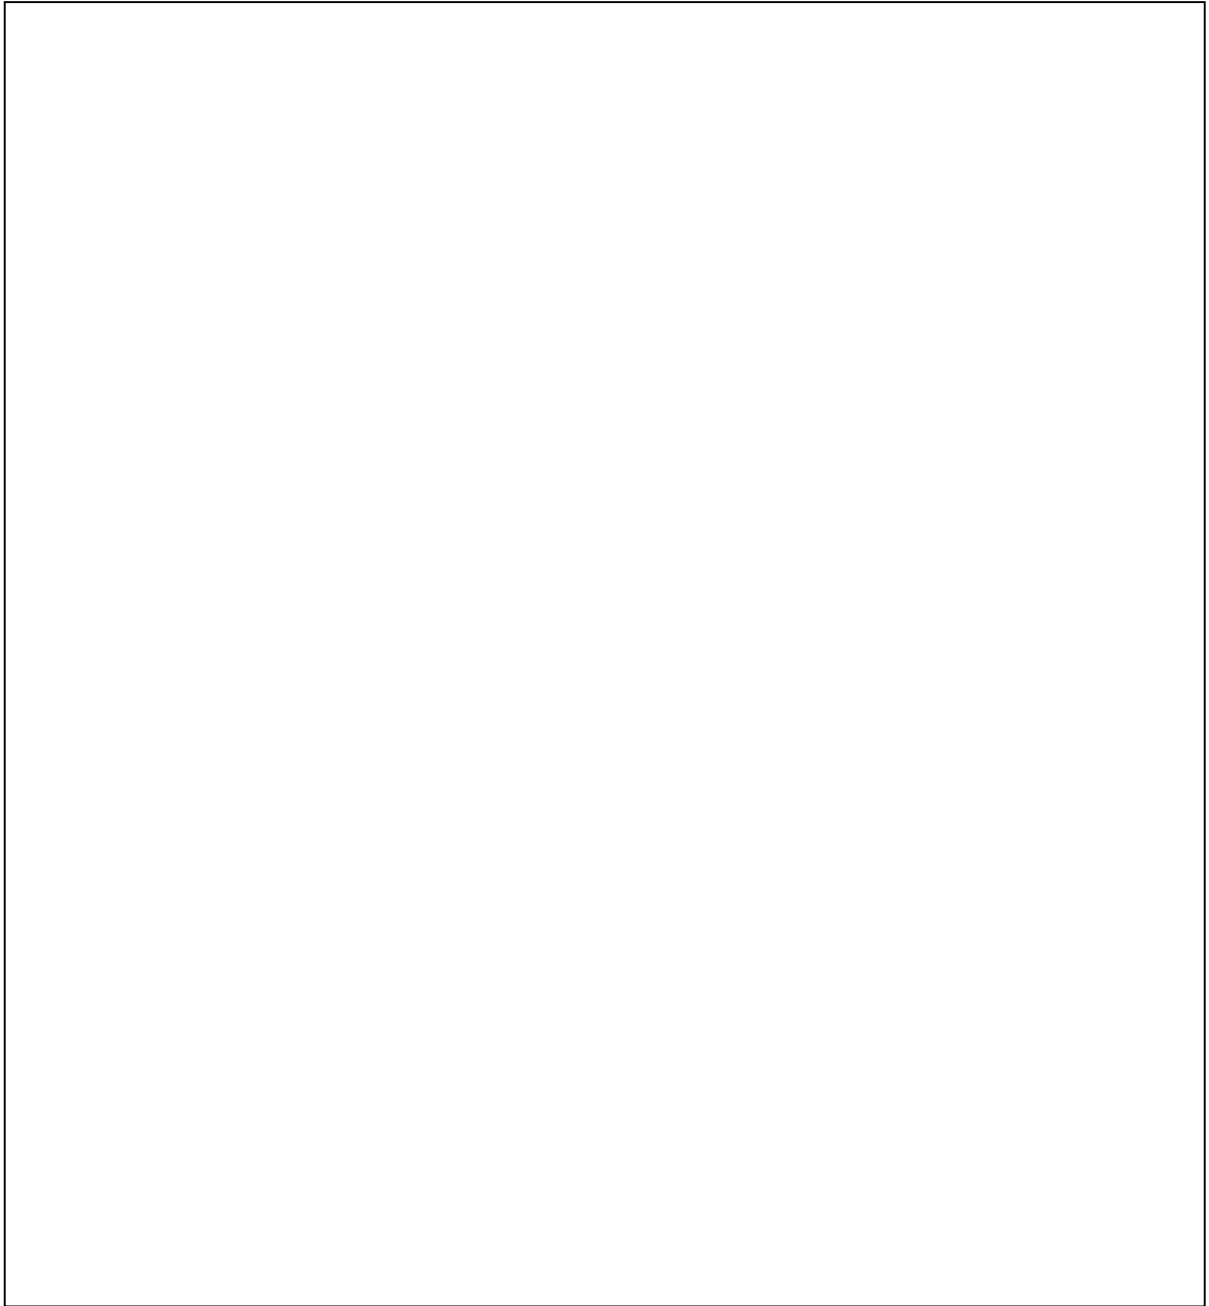

*Blue Peacock Table Lamp*, c.  
1900-1910 Leaded  
glass, patinated bronze, H. 21  
", Diam. 12"  
Courtesy of the Egon and  
Hildegard Neustadt Museum  
of Tiffany Art

*Miniature Mosaic Dragonfly  
Table Lamp*, c. 1900-1910  
Leaded glass, cabochon  
glass jewels, metal filigree,  
mosaic insets, patinated  
bronze, H. 19", Diam. 14"  
Courtesy of the Egon and  
Hildegard Neustadt Museum  
of Tiffany Art

Try your hand at designing a stained glass lamp. Maybe you are inspired by nature, like L.C. Tiffany was, but you may also use other ideas for your design. After drawing your lamp, use crayons or markers to show what colors of glass you would use to make it.
