

Louis Comfort Tiffany: Just Add Ink Designing the Lamp of the Future

Now that you have examined lamps from a hundred years ago, think about how lamps may look in the future. As you design, consider the following:

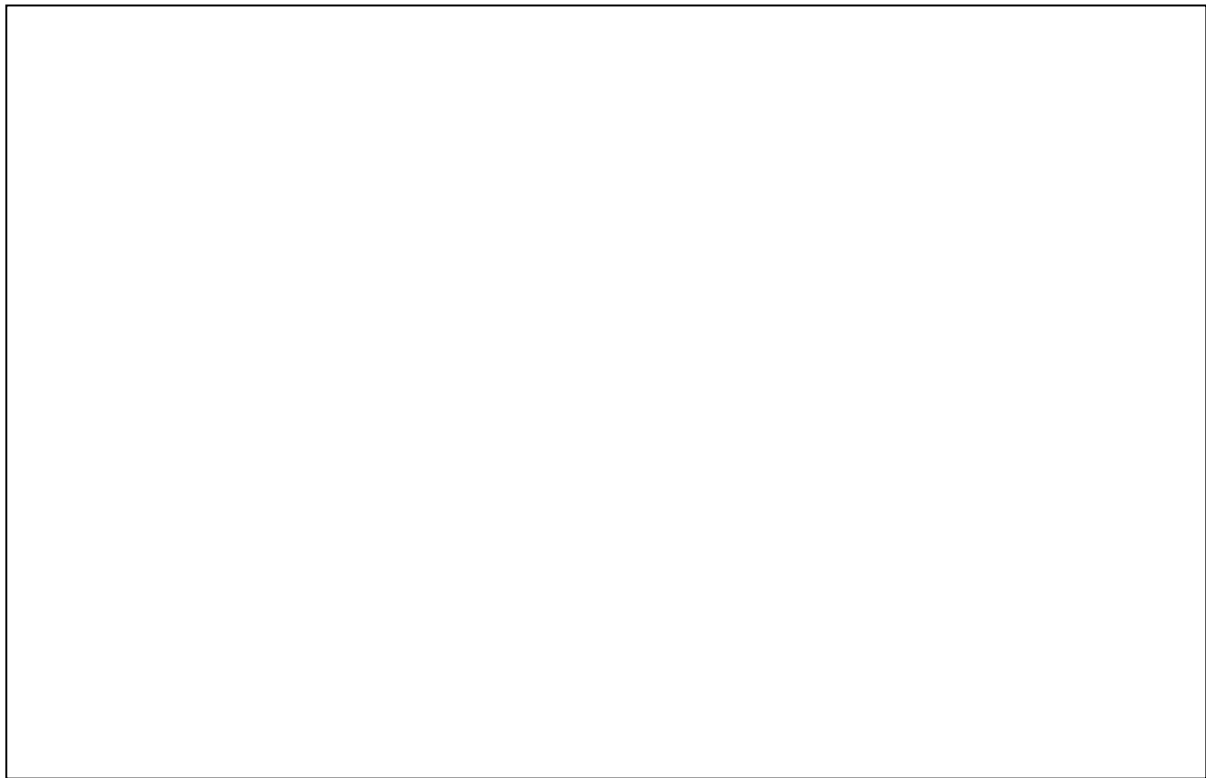

How will your lamp be used?

What energy source will provide the power?

Where will your lamp be used?

What materials will you use to make it?

Who will use your lamp?

Designer's Name _____

The " _____ " Lamp, Date _____
